" " " " 12 to 18 inches .....	6 00	50 00

These are nice little SEEDLINGS with good roots.

## OAKS

We have a splendid lot of Black and Willow Oak—as good as if Nursery grown, with good roots and straight bodies. For prices, see the large circular which we enclose. We also have a few White Oak of same quality and at same price as Willow Oak.

## CUTTINGS

See enclosed list for Hardwood Cuttings. Our grades are as good as any; and better than many. We should be able to give you superior service on Cuttings as we make a specialty of it.

Our demand is very heavy—better place your order at once, to be sure to get what you want.
